Vision :

A safe violent-free community that embraces all racial, ethnic, and religious groups.

Mission:

To mobilize the community into action toward ending violence in Atlantic County. The Coalition for a Safe Community is solution-based and embraces all racial, ethnic and religious groups in order to achieve its goals and objectives.

Who We Are:

Egg Harbor City Coalition for a Safe Community is comprised of residents, police officers, pastors, principals, teachers, business people, council members and the Mayor of EHC working together to create a safe and healthy community for all residents.

How We Came to Be:

In August 2010, a group of concerned citizens, public officials, law enforcement, and faith-based organizations gathered to discuss an increasing issue with gun violence in Atlantic City and Pleasantville. Immediate action was taken establishing a Gun Surrender Initiative that secured \$37,000 in sponsorships for a two-day event that took 511 guns off the streets.

In 2016, Egg Harbor City and Galloway joined the Coalition and currently have more than 35 board members and partner with dozens of local groups and organizations to help keep our communities safe. They include EHC Police Department, Atlantic County Prosecutor's Office, Atlanticare, United Way, Food Bank of Atlantic County, Stockton University and the Atlantic County and many more.
