

Residents of Egg Harbor City,

The City of Egg Harbor has recently established a new traffic pattern in the area surrounding the Charles L. Spragg School on Buffalo Avenue. This was done in an effort to improve both pedestrian and vehicular safety. The City has adopted an ordinance to implement the following changes in the area:

Buffalo Avenue	- One-way from Duerer Street to Claudius Street
Cincinnati Avenue	- One way from Claudius Street to Duerer Street
Diesterweg Street	- One-way from Buffalo Avenue to Cincinnati Avenue

Please note that signage reflecting the new traffic pattern has been installed and is effective immediately. The City and School District both appreciate your patience and cooperation while everyone familiarizes themselves with the new traffic pattern. If you have any questions or concerns about the new traffic pattern, please feel free to contact Ryan McGowan, the City Engineer, at 609-645-7110 or Meg Steeb, the City Clerk, at 609-965-0081.
