

April 20, 2020

Thank you to the many municipal contacts who were able to take the time to look at the South Jersey Strong website launched by Tri-County Community Organizations Active in Disaster, COAD. The site, www.southjerseystrong.com, is providing official messaging from local, county and state sources as well as information about where residents can find provisions related to basic needs. The feedback about this new, centralized hub of information has been very positive and helpful.

Moving forward, we will continue to respond to your questions and suggestions by phone and email at info@southjerseystrong.com and 609 652-3800 ext. 305. If you have not yet had the opportunity to see the work being doing by COAD and its partners, we hope you can take a few minutes. Municipal leaders, community organizations, residents and business people are finding the resources/information to be helpful during this time of hardship.

Please know the local people who came together to develop this important project are very grateful for your partnership and time.

Sincerely,

Beth Wade
