BAG UP RESOLUTION

WHEREAS, Gov. Phil Murphy and the New Jersey State Legislature enacted the most progressive disposable bag law in the country, with a bill signed Nov. 4, 2020, phasing out single use plastic and paper bags and encouraging the use of reusable bags throughout New Jersey.

WHEREAS, New Jersey is working to reduce reliance on single-use products to ensure that future generations have a clean and healthy environment to live, work, and recreate in.

WHEREAS, banning or limiting the use of single-use plastic and paper carryout bags is a significant step in this effort.

WHEREAS, the New Jersey Clean Communities Council, the New Jersey Department of Environmental Protection, the New Jersey Department of State, policymakers, environmental and business groups, as well as other stakeholders, are working together to educate consumers, businesses, and communities about the new law and encouraging residents to "Bag Up" before the ban goes into effect.
