

CANNABIS BUSINESS APPLICANT NOTICE

Dear Prospective Cannabis Business Applicant:

Thank you for your interest in Egg Harbor City. Prior to obtaining any municipal approval, you must obtain a cannabis business license from the State of New Jersey. Once you go through the Cannabis Commission process and obtain a license, members of the Governing Body and its Professionals will be happy to meet with you to discuss your business within the City.

As part of the application process, you may need a Resolution from the Governing Body and/or a letter of approval from the Zoning Officer. You may, therefore contact the Zoning Officer at 609-965-1616 and codeenforcement@eggharborcity.org or the City Clerk at 609-965-0081 and megs@eggharborcity.org for this information.

Should you have any questions prior to obtaining a cannabis license from the State of New Jersey, our professionals and our staff will assist you.

We look forward to working with you.
