

“Connecting our community to services. There is HOPE in recovery!”

Sheriff Eric Scheffler

The intent of the “HOPE ONE” mobile unit is to remove barriers for people in need of services and eliminate the stigma associated with seeking help. The mobile unit will be a caring, non-judgmental environment for anybody seeking safety, treatment guidance, and/or support. Hope One is strongly committed to connecting to people in a crisis with treatment. We do this along with our partners.
