You are the soul of your local community, and you drive the US economy. You create opportunities for your family and jobs for those who need them.

The American Small Business Growth Program has a singular focus: to give you the structure, support, and access that you deserve so that you can accomplish your goals and live your dreams.

### This Program Is For You If:

- your business is OWNER-OPERATED & self-funded.
- your business has been in operation for at least 2 YEARS.
- you have EXISTING REVENUE.
- your business is your full-time career and PRIMARY SOURCE OF INCOME.
- you are part of a MARGINALIZED COMMUNITY.
- you are COMMITTED to growth and serious about taking yourself and your business to the next level.
- you and your business are BASED IN THE US. No citizenship documentation is required.
