

# We are excited to invite you to our December 14th SLAP™ Bootcamp!

## What is a SLAP™ Intensive Bootcamp?

The SLAP™ Intensive Bootcamp will take you and fellow like-minded small business owners through a guided and interactive process to build an Action Plan for your business! It is a 3 hour workshop where you get your own complimentary workbook to guide you along the way. Make sure to attend the FULL session so you can walk away with your very own 12-month strategic growth plan, not just another business plan that will gather dust on your shelves!

**Small Business**  
Growth Program

“The Wells Fargo **SLAP™ Bootcamp** helped me give the boot to an operation-and-sales-only- mentality I kept for too many months. It helped me redefine who my ideal client is and allowed me to be on the lookout for my most profitable income streams (which got pushed to the front!). I used all of this motivation to rebuild my portfolio and website, **and in just two weeks saw a turnover: more clients and projects that went for the specific service that I wanted to sell!**”

—
