

Home Weatherization Program for Income-Qualified Customers

Energy efficient products and weatherizing your home can help reduce energy usage and lower your monthly energy bills.

With the FREE SJG Home Weatherization Program for Income-Qualified Customers, you receive an in-home audit by a certified contractor who will identify improvements to help save you money. Plus, during the audit, the contractor may also provide the following at no cost to you:

- Showerheads
- Faucet Aerators
- LED Lightbulbs
- Advanced Power Strips
- Smart Thermostat
