

SMALL BUSINESS ASSISTANCE PROGRAM

Egg Harbor City has relaunched its COVID-19 Small Business Assistance Program, funded by federal Community Development Block Grant CARES Funds (CDBG-CV). The program is being extended to provide working capital funds to the community's small businesses that have been severely impacted by the COVID-19 pandemic.

The Egg Harbor City Small Business Assistance Program has been established to provide working capital funds to community businesses economically impacted by the COVID-19 virus. The program component makes limited funds available for 120 days of verifiable working capital from \$5,000 up to a grant ceiling of \$10,000.

CDBG Small Business Assistance funds may be used to assist the Egg Harbor City restaurants, retail, entertainment, and nonprofessional service businesses with no more than 10 employees that were in business as of December 31, 2019. Benefiting businesses should have solid commitments to remain open or reopen, and retain or re-employ at least one Low-to-moderate income permanent job.

ELIGIBLE ACTIVITIES

All applications will be evaluated based on program criteria. Participating businesses are required to document the creation or retention of at least one low-mod income job. US Dept. of Housing and Urban Development prohibits duplication of benefits. Businesses that have already received Small Business Assistance funding from Egg Harbor City are not eligible for additional funding.
